TWO STARS MAKE A BRILLIANT IMPRESSION AT THE CINEGRILL

Dee Dee Hanson, a very funny celebrity impressionist, trades quips with fellow impressionist Charles Pierce, at her gala Cinegrill opening night. And she was fantastic!

The Cinegrill could well be called "The Last L.A. Cabaret" for there is nothing like it left in town. Situated as it is in the historic Roosevelt Hotel in the heart of Hollywood this elegant, intimate room has been the site of hundreds of legendary acts. And it's still going strong with recent star appearances by Ms. Hansen, Jim Bailey, Ruth Brown, Buddy Greco & more.
